The varsity ran to its second consecutive Suburban Conference Championship. We were undefeated in 6 duals, extending our winning streak to 16 over the past 3 seasons. The team captured the first 4 places and 5 of the spots to record a low score of only 16 points to dominate the conference meet. Dave Davies won the individual title. The Varsity had an overall record of 78 wins and 2 losses. Turner was rated # 1 in the final class "B" coaches poll.

Dave Davies and Jeff Paulson were co-captains. Dave Davies was our Most Valuable Runner for the 4th straight season.

### "RACING TO STATE"

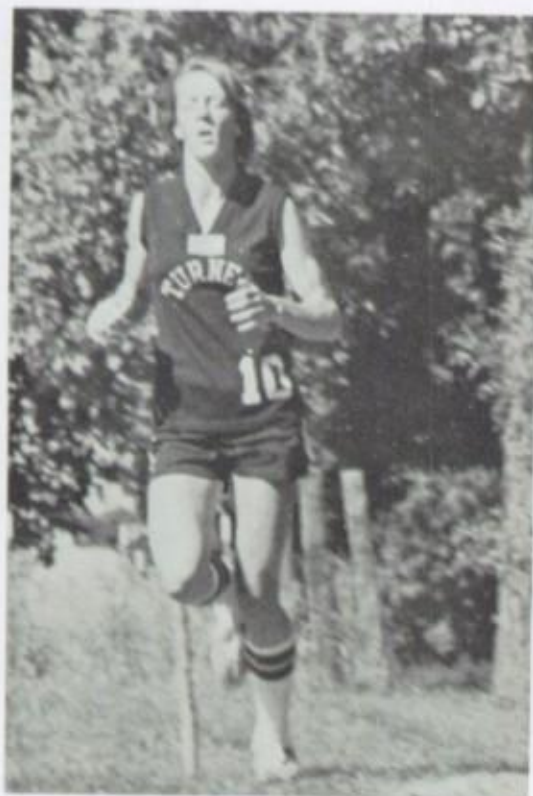

Turner edged Whitewater by 2 points to win the Beloit Regional. Dave Davies won the individual title. Pete Alheid placed a strong 4th. The Trojans advanced to sectional competition at Madison for the 3rd time in 4 years. We ran to a 12 point win against excellent competition to gain our first berth in the State Meet at Wausau. Dave Davies was the Sectional Champ. Gary Brendemuehl ran a great race.

The State Meet belonged to Turner. We used a strong team effort to completely dominate the 6-team field. The Trojans justified their # 1 ranking by running to a 30-point win over runner-up Neillsville. The victory brought Turner High School its 1st State Championship team.

Pride! That's the word to best describe the 1976 Girls Volleyball Team. A team that works hard and does everything you demand of them with a smile, a team that accepts a new coach, a team that adjusts to a new kind of offense — defense (with a bit of skepticism), a team that hits the floor on demand, that slides on their chests and hips creating many, many bruises, and a team that causes the crowd to stand on their feet and applaud for the excellence in play, is certainly a team to be proud of. I've had coaches from all over, officials, friends and even strangers, approach me and comment that this team is the best team in the conference and area. We've played schools ranked better than us, and won — Sun Prairie, Janesville Craig, and Beloit Memorial. We placed second in our conference, trailing Oregon, who has been ranked as a class "A" school for two years now. Our season record is 8-2, that means AT LEAST 16 games won and only 4 losses.

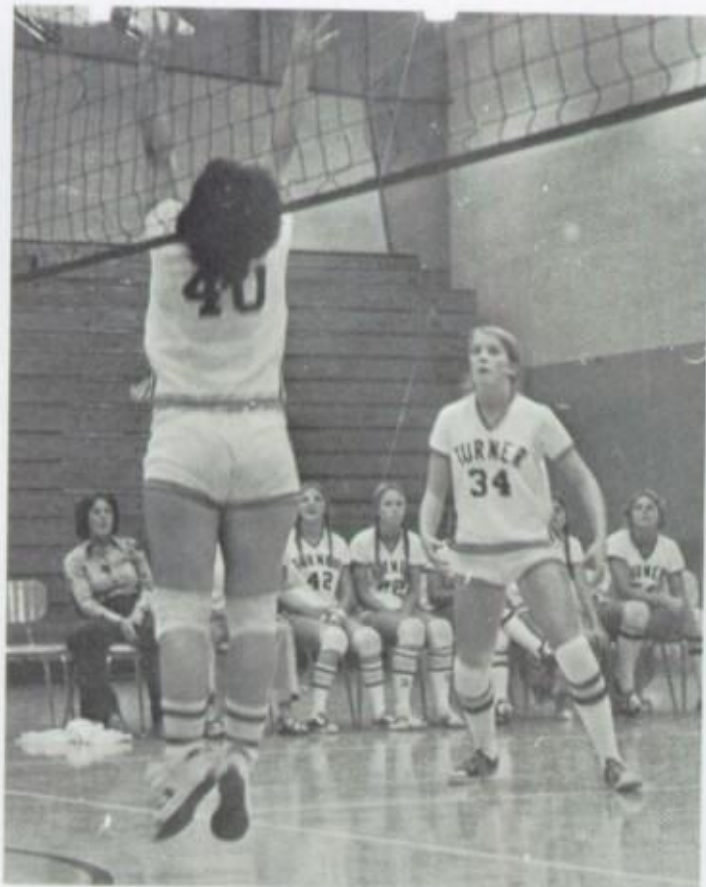

But I am only speaking of the "team." Many individuals make up the "team." Two fine "setters" who both received a MVP award and kept the team going were Becky Clark and Dorinda Floyd (Capt.). If it wasn't for Chris Helgeson's surprise "dints" once in awhile, I'm sure we would have had a few more games. And who can block and return the spikes of Ann Reed, Becky McMahon, and Sue Sather? One mustn't forget the others who, when put in a difficult position, did very well and added enthusiasm to the team. Without these 13 individuals, Turner wouldn't of had a very successful team.

I've really enjoyed coaching these girls. It has been a lot of laughs and a lot of good times. They've made my days a bit brighter, their thoughtfulness and kindness is certainly going to be missed. I wish that the seniors could come back again next year. I'm glad that the juniors will be returning. Would it be right to say, that I miss them already?

Coach Bev Haas

The '76-'77 basketball season had its ups and downs. The team has played very well and has been "in" most of the games this year. Many games were closely contested but ended in defeat for the Trojan team, but the team never stopped trying and always worked hard to the end. Who will ever forget the 4 over-times against Clinton? The team ended up with a 7-7 conference record and a 9-9 over all.

BACK ROW: Mr. Wescott (coach), Dennis Daskam, Dean Dilley, Jeff Smith, John Jones, Gary Newport. FRONT ROW: Tim Wightman (mgr.), Tom Garrison, Bruce DeRoos, Scott Filzen, Mike Denu, Mark Richie.

This years J.V. Boys Basketball team ended up with over a .500% winning percentage. The team consisted of eight sophomores and two freshman. One of the biggest wins this

year came against Beloit Catholic, 63-50. All in all the team played very aggressive basketball and are looking forward to next years varsity season.

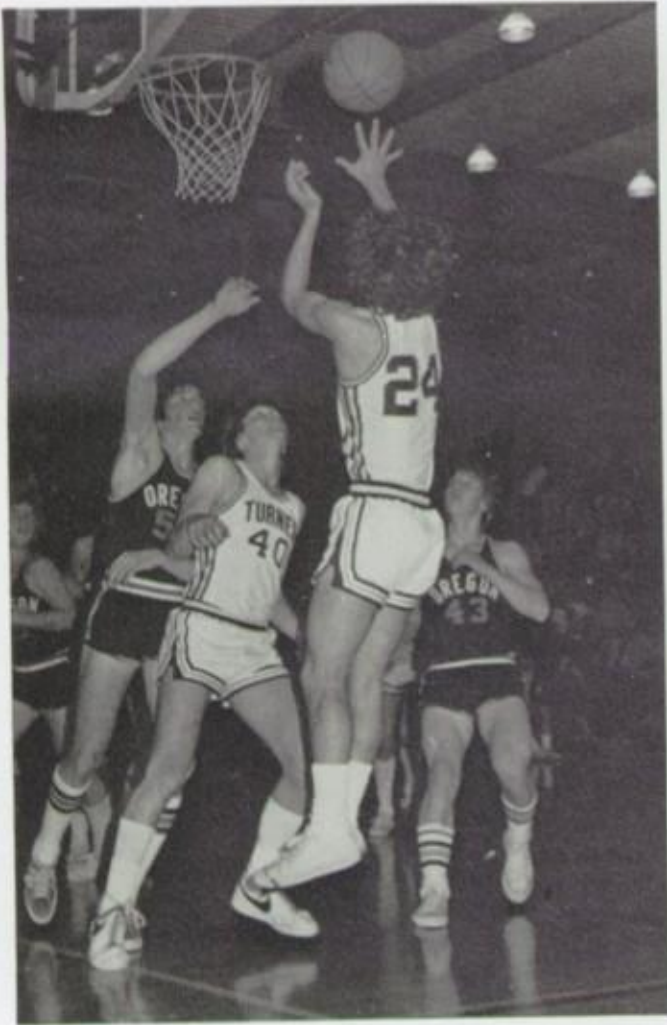

# FRESHMAN BASKETBALL

FRONT ROW: Greg Oldenburg, Rick Mitchell, Bill Knapp-ton, Steve Caple, Bill Kasbohm, Todd France, John Vanark (mgr.). BACK ROW: Jim Edmonds (mgr.), Brian Jakel, Bob Johnson, Phil Smith, Stewart Merriman, Joe Paschke, David Carlson, Mike Willis, Ricky King (mgr.), Mr. Jakel (coach).

The 1976-77 Freshman Basketball team was a learning experience for future years. They played good ball and will become fine representatives for next year's Junior Varsity team.

# GIRLS VARSITY BASKETBALL

This was a season of ups and downs for the varsity basketball team. One of the highlights of the season came when the team upset Clinton early in the season. The girls finished with a 8 and 8 record overall and ended up with 5 and 7 for the conference record. J.V. finished with a 6 and 8 record. They also put in a lot of hard work for the season.

FRONT ROW: Becky McMahon, Becky Clark, Dorinda Floyd, Karla Krueger. BACK ROW: Bridget Crave, Sue Sather, Donna Arnold, Ann Reed, Cheri Granberg, Coach Kathy Leong.

## JUNIOR VARSITY

# VARSITY

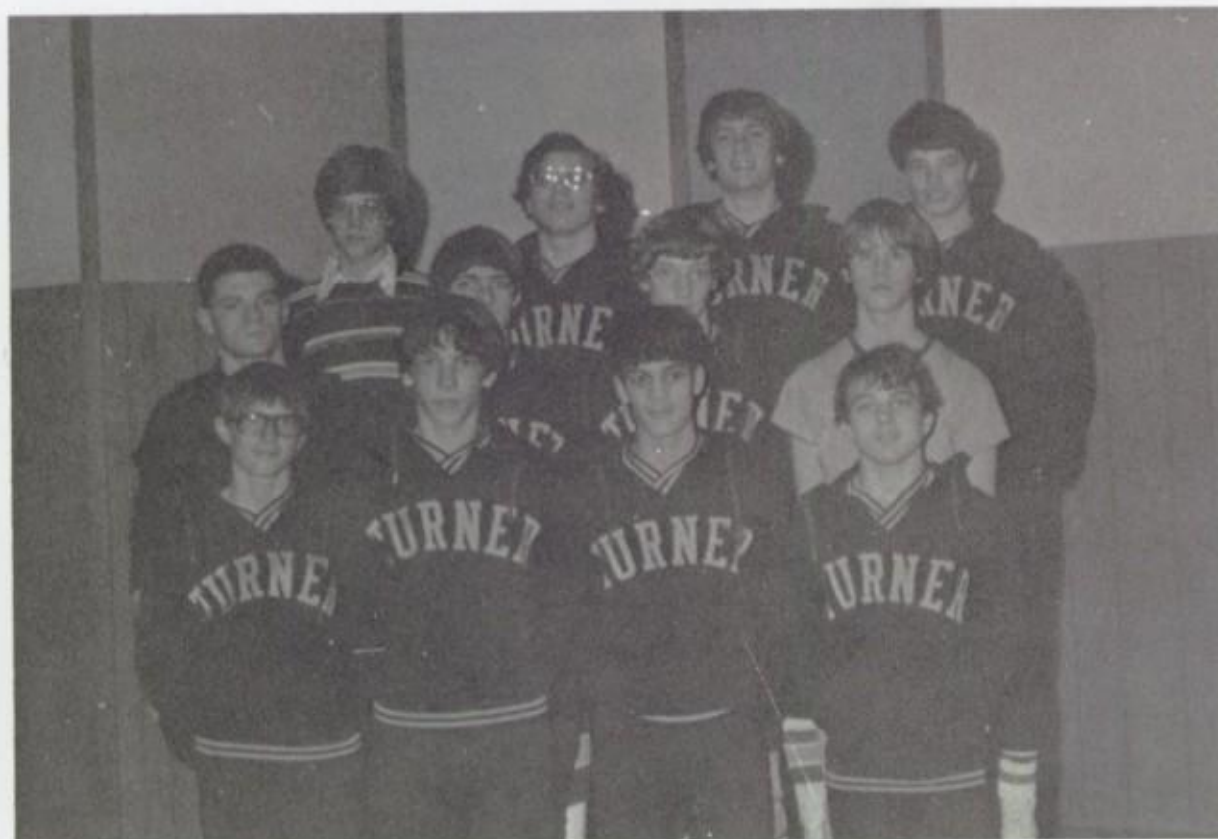

Our team was young but very inspiring and aggressive. I feel that the future looks good. We lose only 3 wrestlers through graduation. We had only 3 returning lettermen from last year's squad, but this didn't dampen the hopes of our young men as they compiled a 3 and 6 dual meet season, 2 wins better than last year. We also won our first Conference Meet. We're hoping to interest some bigger boys in wrestling, since we do forfeit points at the heavier weights every match. 6 and 12 points are some times hard to make up.

Coach William McCreary

# ACTIVITIES

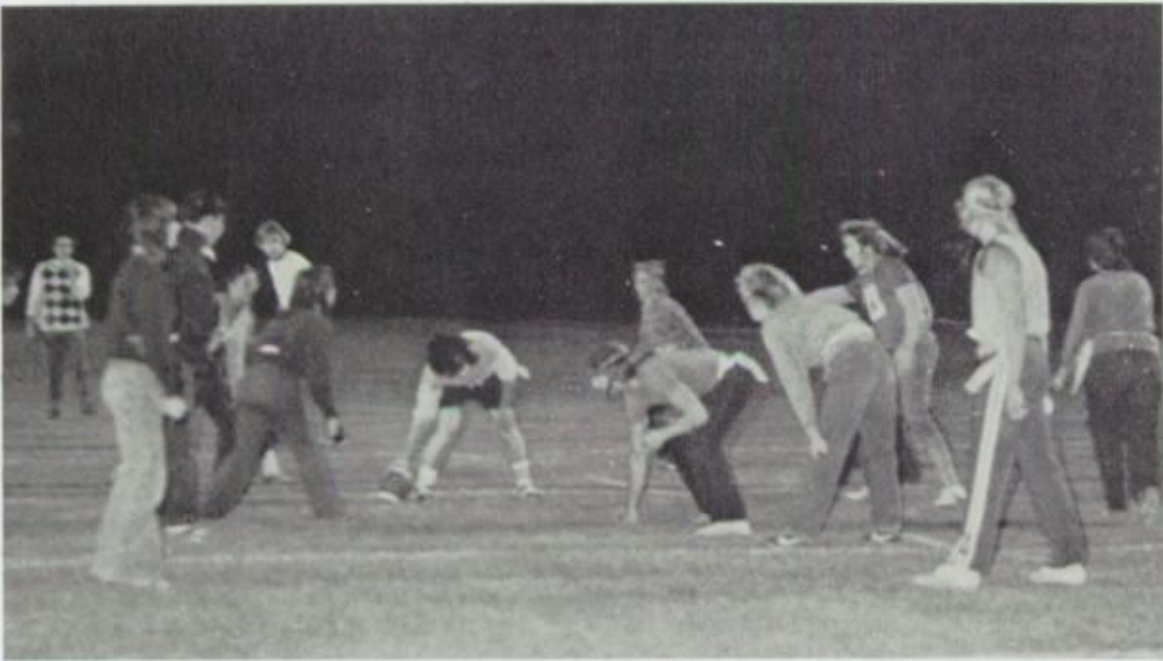

# HOMECOMING '76

What is a Turner Homecoming? It's months of preparation and planning crammed into one week, loaded with games and skits and floats and fun. It's hammering your thumb to your float. It's buying pomps and getting the wrong colors. It's blue and gold day and player recognition day and short pep assemblies. It's watching the juniors put on their first place skit. It's watching the seniors win the class football games and eating paizza 'til you're sick. It's the seniors winning the three legged pants race because Daskam and Bags had the longest legs. It's Mary Jo eating her annual banana cream pie and winning for the juniors. It's Paul Schultz winning the pretzel eating contest, and as for the freshmen-well, they tried hard. It's the juniors beating the seniors in the tug 'o' war and the seniors beating the juniors in the VW push. It's being rowdie at the football game and halftime and watching the senior float win first place. It's the dance and post homecoming after the dance, and falling asleep. Actually, Homecoming is one of the best times of your life.

# A SPECIAL

"... 'Tis the season to be jolly ..."  
The 1976 Christmas season was both jolly and full of spirit. To start off the festive 3-day week, competition was held between the classes. Trees were decorated and canned goods were collected. The seniors came in first for the tree decorations, and the sophomores came in first with the most canned goods. In the overall total, the class of '79 came in first and the class of '80 came in second. Then the day of the skits and fun arrived. The student body packed into the auditorium to see the mighty senior skit; The 12 Days of Christmas (?), the faculty skit; The Night Before Christmas, and the two movies featuring W.C. Fields and the Marx Brothers. After the festivities, students pushed and shoved their way in line to get their traditional Christmas treat-an ice cream bar. After wishing many "Good Tidings" to fellow classmates, school was adjourned for a joyous and long-anticipated vacation.

# CHRISTMAS

On December 15, the Turner Choirs put on a fantastic Christmas concert. Along with cheery and festive choral numbers, the choir also held a raffle. The prizes were a television and a C.B. radio. The evening was enjoyed by all.

# AN EVE. OF ONE ACT PLAYS

In early September, try-outs were announced for 3 one-act plays. After almost 2 months of long hard work the productions were finally ready to be viewed by the public. The plays ran for the two nights receiving good audiences who enjoyed a very pleasant, fun-filled evening. "Here We Are" was chosen by a group of judges to be produced for the W.H.S.F.A. Drama Contest. The choice was difficult because of the excellent job.

## Turner Alma Mater

The Turner choirs have been outstanding this year. Half of the student body participated in one choir or another. The dedication of the students was witnessed by many through the Christmas Concert. A lot of work went into the entire program; falling snow and other scenery was made and raffle tickets were sold.

The A Cappella choir went on tour to different schools and was well received.

After the Christmas Concert, all efforts were concentrated on the solos and ensembles. In the spring, many students traveled to Clinton to take part in the competition. The contest between choirs was held later in the spring. All the choirs put forth tremendous effort and had an outcome to be proud of.

In April, the choirs hosted a very enjoyable Spring Concert. The talent show-cake walk, held in May, was enjoyed by people of all ages.

# TROJAN BANDS

Instrumentalists at Turner High School have a variety of ways to express themselves. These are through participation in marching band, concert band, wind ensemble, jazz ensemble, and pep band. Along with these groups, individuals have the opportunity for self expression through solos and smaller ensembles.

The various organizations of the instrumental music department presented 27 performances to the public, which kept all busy. Along with memorable music studied, goes the fun and comradery of participation in the arts.

## FULL MARCHING BAND

# POPS CONCERT

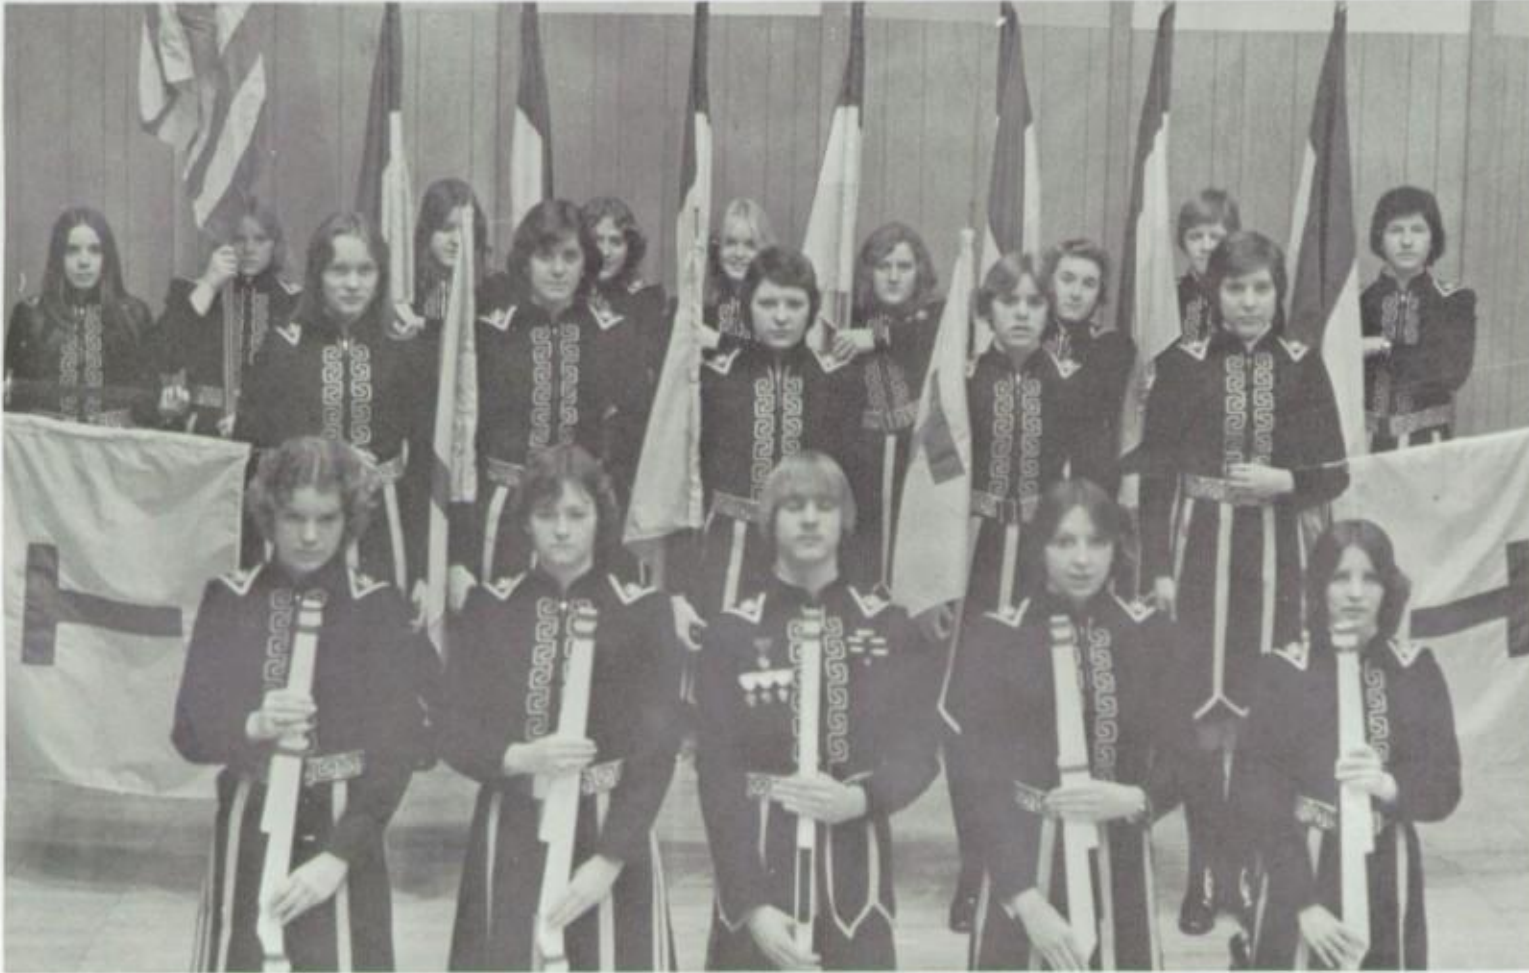

The Pops Concert was held on Jan. 15. Hundreds of people attended, anticipating delightful music. The Middle School and Turner High bands performed beautifully. High-lighting the evening was Jim Mathewson, playing "Rhapsody in Blue." The evening was thoroughly enjoyed by all.

# RIFLES/COLOR GUARD/FLAG TWIRLERS

The rifle twirlers, color guards, and flag twirlers all did a great job this year. They performed at half time for the football games, making the field and music brighter. Besides performing for the Turner crowd, they have participated in parades and various other public performances. They've had fantastic spirit and kept up to the tempo of the band.

# VALEDICTORIAN

# THE STUDENT COUNCIL

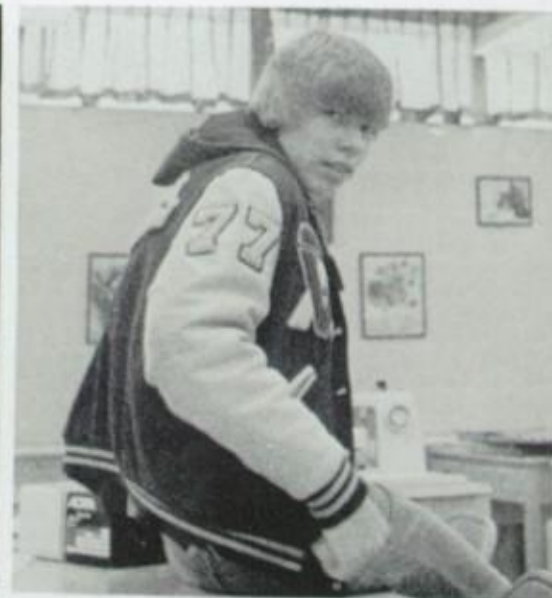

Turner High School

# ECNALEERF SREHPARGOTHOHP EGAP

Well, four years have ended and these years are soon to expire on June 2. The first year we seniors witnessed a work of art in form of 1974 Torch. This artwork was to end soon as a new batch of people took over, one group was the photography staff. A two year struggle has released a new book to hold the memories of 550 plus students at Turner High School. At the end of each year the only people who really don't get praise are the few unnamed persons responsible for 90% of this book that you are looking through. We, the photographers, always get the compliments of ohh what an awful looking picture, but this just gives us an incentive to do better. I would like to give my thanks to many people who have and haven't received their due credit for their efforts. First, I would like to thank the one person who stuck it out through four years with me and helped out whenever needed. Thanks for all the help Peter Clark. Next I would like to thank the

future photographer of the Torch, Randy Schweiger, for all his volunteer help this year in taking a majority of special events pictures. For those who don't know Randy, he's the short one with all those big cameras around his neck. Next, I would like to thank my darkroom buddy, Fred.\* Thanks go to Lori Brabazon who kept me organized throughout the year and developed a lot of pictures in this book. Of course there is Teresa Matchett, Mary Parmenter, Mark Ritchie, Sue VanGalder, my brother, and Mark Newell who all took a large amount of pictures. The result of the organized effort of these few people, made the book what it is today. So, if you see one of these "pro" photographers, tell them what a great job they did on the good pictures.

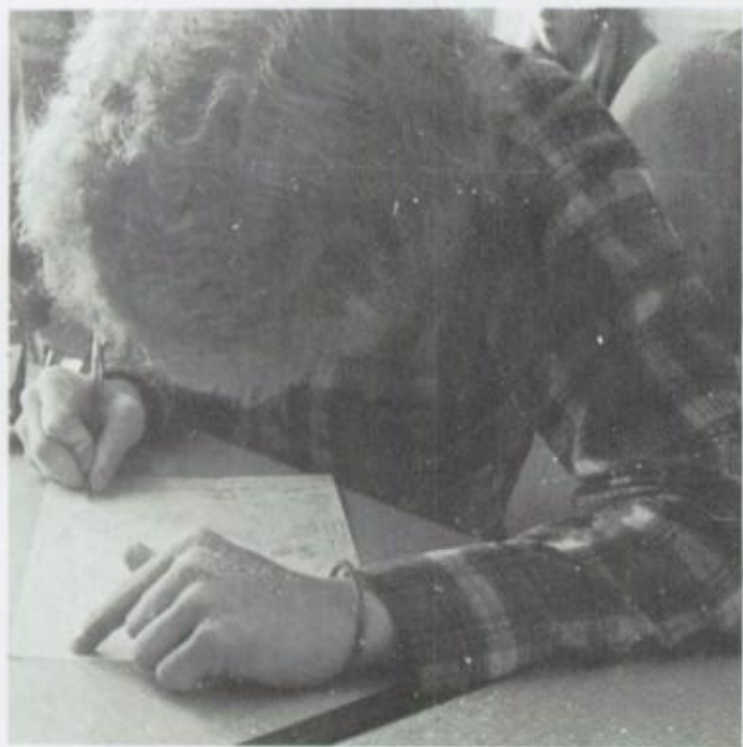

and just reglimpse at the bad. The bad pictures still have a meaning in 20-30 years.

Signed your Photographer,  
Steve Tucholka

P.S. Thanks to Mike too (I never got to call you Mike, so I had to do it once.) One more person I didn't thank above is Lynn Walters because it wasn't Lynn's job to take the pictures. She was too tied up getting the basics of the yearbook done. If I forgot anybody, I did remember you five minutes after this was sent in. See you all as a proud alumni of F.J. Turner High School. I'm going to quit now so I have a place to sign all your yearbooks.

\*For those of you that don't know Fred, she is a great guy.

# THE EDITORS' PAGE

Every year there is a page, or in this case pages, that are reserved for the editors. I would prefer not to have them, but its hard to break tradition, so I will bow to the inevitable.

Before I thank all the staff members who helped so much with this yearbook, I have to give credit to the advisor, Mike Sklavos. When Diane and I took on this job, we didn't know what we were doing. Mr. Sklavos helped us SO Much and was very patient with us . . . well, some of the time. He stayed after school with us and helped us put this book together. He's really a great guy to work for, even if his face turned blue when he saw some of the things we did, but he was always there to help.

Steve Tucholka, the photographer, took fantastic pictures this year. I'm really thankful for all he has done. He took it upon himself to get the pictures taken and developed. Steve was very tolerant of my ignorance concerning yearbook work and I REALLY appreciate all of his help.

There are a **lot** of staff members who really helped this year. The book wouldn't have been completed without their hard work. I really thank everyone that was involved.

This yearbook has been a lot of hard work and fun (at times.) I hope everyone enjoys their copy of The Torch and will keep it to remember the '76-'77 Turner school year.

Lynn Walters

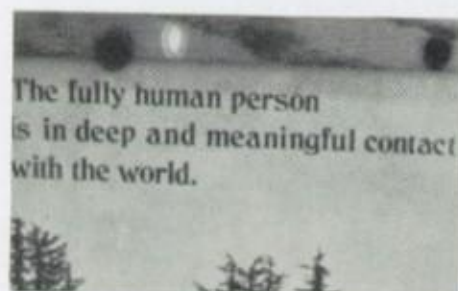

I think very few people actually realize how much work goes into a yearbook. I'd like to thank **everyone** who helped in any way with the book, but there are some special thank-you's I'd like to send. THANK YOU Sue VanGalder and your hard-working staff for all the help with the ads. THANK YOU Steve Tucholka for al the beautiful pictures we had this year (Really.) THANK YOU Mike Sklavos for putting up with all our crazy antics (notes on your calendar and names on your plants . . .) our unorganization, our late deadlines, and our bad moods. But the biggest THANK YOU I'd like to send is to my co-editor, Lynn Walters. You worked **hard** Lynn (to put it mildly.) Without you this book would never have gotten out. You did a marevelous job. God bless ya.
